

Joker's \$450 Classic Tournament

No Limit Texas Hold'em

\$450 (\$400 buy-in + \$50 entry fee)

40-minute rounds | 50,000 starting chips

Sign-ups will open one week prior to Day 1A, with the exception of entries won in a satellite tournament, which will be entered at the time they are won or transferred between players.

One re-entry per player is allowed until the end of the second break of each flight (Day 1A/1B).

Registration is open until the end of the second break of each flight (Day 1A/1B).

Players may surrender stack for a full re-entry on the last hand of re-entries if player has less than 50,000 chips and they have not already re-entered that day. Surrendered chips will be forfeited back to the house and replaced with a full re-entry stack.

Tournament will span 3 days and begin at 10 AM each day (Friday, Saturday and Sunday).

There will be two Day 1 events, Day 1A on Friday and Day 1B on Saturday, with Day 2 on Sunday being the final day. Players may enter both Day 1A and Day 1B. If they qualify on both days, their best stack will proceed to Day 2 and their lower stack will be surrendered.

Day 1A/1B will play at least until the end of the 9th level or until there are only 15 players. All players remaining at this point will advance to Day 2, which will begin at the 10th level regardless of the level each Day 1 ended at.

Players will have their chip stacks counted and documented by poker staff when they reach player pool size to advance, two staff members and the player will verify and sign what the chip stack was and staff will return this chip stack to the player on Day 2 where it will be verified again by the player and 2 staff members before proceeding to play.

If a player does not attend the start of Day 2, their chip stack will be verified by staff and surveillance and they will be randomly drawn a seat where their chip stack will enter blind play until the player arrives.

Original player must be present on Day 2 for their stack to play.
